

## TC – 2 Activity

### TC on the Integrated River Basin Management

The 2003 action plans of TC-2/ACECC are

- (i) To exchange information on TC-2 member,
- (ii) Preparing a report of TC-2 action, and
- (iii) To prepare participation of CLEAR.

TC2 plans to make communications with the similar organizations such as the Asian Water Resource Society, IHP, IWRA, etc. for information exchange. We are going to make up the report of TC2 based on the outcome of this action.
